

This document explains how to embed Fewcents Javascript in Publisher's website.

This guide is designed to help you setup in Publisher's staging environment. If you are facing any difficulties, please feel free to email support@fewcents.co.

1. Create Fewcents Account by signing up at <https://publisher.demo.fewcents.co>. Please use work emails only.
2. Create a new Publisher:

3. Embed the Fewcents Javascript in your article html:
 - a. Once the Fewcents Javascript is embedded, it will create the article listing(s) in Fewcents.
 - b. Fewcents listing is created automatically when the first visitor lands on an article.
 - c. Each article is listed in Fewcents with a default price. You may change the default article price through the Publisher settings in the Fewcents Publisher Portal.

The screenshot shows the Fewcents Publisher Portal interface. On the left, there is a navigation menu with 'Profile', 'Update Password', and 'Publishers'. The main content area is divided into several sections:

- Profile:** Fields for 'logourl', 'Email' (dev@fewcents.co), and 'Phone' (+6597288664) with a 'Save' button.
- Geo-Fencing:** A section titled 'Geo-Fencing' with the instruction 'Disable / Enable payroll in selected geographies'. A toggle switch is set to 'On'. Below it, there are buttons for 'India', 'Singapore', and 'United States', followed by a 'Select' button and a 'Save' button.
- Commercial Terms:** A section with four input fields: 'Minimum Article Price' (0.5), 'Fewcents Fixed Fee' (N/A), 'Fewcents Percentage Fee' (0.25), and 'Fewcents Maximum Fee' (N/A). Below these fields is a note: 'If you would like to amend any of the above, please contact our Sales Team'.
- Paywall Embedding:** A section with three steps:
 - Step 1: Identify the "id/class/itemprop" of article you would like to protect
 - Step 2: Copy the below code snippet and place it under the <head> tag of your page
 - Step 3: Replace value of "content-selector" with the value of key identified as part of Step 1.
 A code snippet is provided in a dark box:

```
<script async src="https://demo.fewcents.co/static/js/paywall.js" id="fewcents_paywall" contentSelector="id/class/itemprop value">
```

4. When the first visitor lands on an article, the article listing is automatically created in Fewcents. You can login to Fewcents Publisher Portal, Article settings to:
 - a. Change specific article price
 - b. Activate/Deactivate Fewcents Wallet for specific article
